A message from
Mrs Rowe

Year 11, I am so sorry I can not be with you today to say goodbye and wish you well. You have been a wonderful year group and credit to yourselves.

Firstly, I would like you all to thank your Group Tutors who have been there through thick and thin to give you support and guidance - please give them all a round of applause as they deserve it (especially Discovery House tutors Mrs Garrick, Mr Hastings and Mr Anderson who are the best!).

You also need to give a roaring applause to Mrs McDonald - she has been there to patch you up when you're injured, a shoulder to cry on when you are sad and has been a fabulous Assistant Head of Discovery House, thank you Mrs McDonald!

My last thanks goes of course to my Year 11 mentors, House captains and vice captains, you are all just brilliant and have done so much over the past year I really can't thank you enough.

Although this is certainly not the goodbye and good luck we all expected, I hope you all have fond memories of your time with us and we will see soon when you collect your GCSE certificates.

Finally, remember to give Miss Gyngell a big thank you for arranging this special final assembly at such short notice.

Take care, Mrs Rowe x

YEAR 11 TUTOR TEAM

MRS GARRICK 11 KRG

Since the beginning of September I have been dreading this day but never imagined it would happen so soon and so suddenly. There have been many tears this week. I had a lot of things planned and maybe they will still happen. I'm so proud of the young people you have become, and not just in the way you approach school life but also as real people who care for others. I am always telling everyone how I have the nicest tutor group in the entire school and how lucky I have been to have had you all for (almost) 5 years. You make me laugh every day and I have great memories of all of you. Balls, superman and prams spring to mind (hence the choice of photo - notice how I am holding onto the pram tightly!). You really are a lot of fun to be in a room with. Please keep in touch Love you all
Mrs Garrick XX

MR HASTINGS

Who would have thought ... those little Year 8 faces looking up at me with the universal expression: “Who is this big, bald, scary bloke, where is the lovely Mrs Edwards ???!!” ... are now Year 11 and off to embrace amazing futures! It has been my honour and privilege to be your tutor! We’ve had some laughs; we’ve had some tears; we’ve had some cake!

Be all you can be; dig deep and if you give 110% it’s amazing what you can achieve. You are great ambassadors for your generation! I will miss you,

My new tutor group will have big shoes to fill.

Stay in touch, I want to hear how things go with you ... I mean it! Look after one another, all those you love and yourselves. Class dismissed (... when Ellie is quiet)

MRS MACTAGGART

11VCM Thank you for the last 5 years. I have loved having you all in my Tutor group. I cannot believe it's been 5 years since I met you as wee Year 7's. You have grown into such fine young people with amazing things ahead of you and I am so very proud of all of you! Please stay in touch! Two more words to say... Patrick and Henry!!

"How lucky I am to have something that makes saying goodbye so hard."

MRS DA SILVA

Dear Y11VCDS,

It has been a long journey and I wanted to say thank you for all the hard work you have put into your lessons and in tutor time. I have many lovely memories that I will always remember. I still remember the first time I saw you all in the assembly hall and look at you now - so grown up! I wish you all the very best for your future and I'm sure you will do amazing things. I will miss you all xx

Stay safe.

Lots of love,

Mrs Da Silva

MR LEONARD

As I look back to 5 years ago, when you came to visit the school for your Year 6 induction day, I couldn't have imagined what you would all be like now. You have all surpassed every expectation I had of what kind of young adults you would become and I am so proud to call you my tutor group, 11PJL!! You are credits to yourselves and I have every faith that you will continue to grow into fantastic young adults.

I will really miss everyone of you and I wish you all the luck in your futures! Stay safe and healthy!

Me at 16! >>>

MS MAEDDU

Hi 11PSM, I'm sorry I can't be there today to say goodbye... I will miss each of you!

For the last five years I have seen you smiling, worrying, laughing, sharing, arguing, crying but, above all, supporting each other, keep doing it!

Thank you for everything you have taught me ... and for counting down from 10 to 0 in Italian with me!! :)

I wish you all the luck in your future!

Arrivederci!

MR MORRIS

Just wanted to wish you all the very best moving forward into your next adventure. It's been great seeing you all develop into a group of young people ready to take on the world.

Some lively debates along the way and sorry for all the long stories!
